Gentlemen :-

We have had considerable correspondence in the past with Mr. Robert Nevitt, recently deceased, regarding his book on "Lincoln" medals. We have for years sent him samples of the different medals we made, and are now informed that you are to publish the book that he was working on.

If our information is correct, kindly advise us when this book will be ready and where a copy of the same can be purchased, and oblige,

Very truly yours,

S. D. CHILDS AND COMPANY.

Dear Sirs:-

In reply to your inquiry regarding the book on Lincoln medals, material for which was collected by the late Mr. Robert Hewitt, I would say that the death of Mr. Hewitt caused considerable delay in the preparation of this book. It is now under way, and will probably be published by the Society in the fall.

I will take pleasure in notifying you when the book is out.

Very truly yours,

Secretary.
